

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS

November 10, 2015

**Prohibiting the Sale of Vehicles on County Park Land  
Relates to Item 21**

For many years the Department of Public Works has worked in close collaboration with the California Highway Patrol and Los Angeles County (County) Sheriff's Department to prevent the prohibited sale of vehicles on County-maintained streets. However, this challenge has also extended to County-owned and operated park land. Specifically, the attempted vehicles sales have become problematic and potential safety challenges at Ted Watkins, East Rancho Dominguez and Franklin D. Roosevelt Parks. These locations should be regulated consistent with County-maintained streets.

**I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:**

Direct County Counsel, in coordination with the Directors of the Departments of Parks and Recreation and Public Works, to return to the Board of Supervisors within 90 days with potential amendments to Title 15 – Vehicles and Traffic in order to prevent the sale of vehicles on County park land.
